

FREESTANDING SHOWROOM POSTER DISPLAY STAND

Product Details

Designed in-house in the UK for reliability and professional presentation.

Fixed angled display: Keeps posters easy to read at standing height without adjustment.

Eye-level visibility: Ensures menus, notices and promotions don't get overlooked.

Weighted freestanding steel base: Stable in high-traffic areas such as receptions, foyers and exhibitions.

Neutral, professional style that works in modern and classic interiors alike.

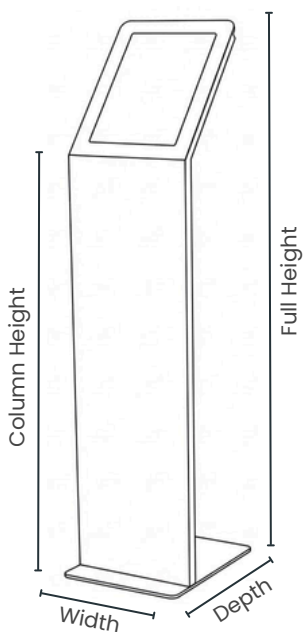

Quick poster changes: Snap frame design allows posters to be swapped out in seconds.
